Happy October!!! I don't know about you, but I am glad that the weather is changing and we are experiencing a cooler trend.

Last Friday night was "A Night with the Stars", our district Science Night. It was great seeing so many people in attendance. For many, this was the first event that they have ever attended on our school campus. It was fun to see children participating in the many different activities. I know one of the highlights of the evening was being able to see the planets through the telescopes. Special thanks to the Stockton Astronomical Society for making this happen. Many thanks go out to the members of the Science Committee for putting this event together for our students as well as the adult volunteers who were in attendance. I especially want to thank the 8<sup>th</sup> grade students that volunteered their time to help with the event.

Many special events are taking place during the month of October so check out our calendar. A few highlights are:

Book Fair-October 8-22

Harvest Carnival-October 24—12:00-4:00 PM

Red Ribbon Week-October 26-30

Halloween Parade-October 30

**LSF News**

LSF meetings are held the 2nd Tuesday of each month.

This is a great way to get involved with our school. The next meeting is October 13th at 5:30 PM in the library.

Please join us.

**Safety First**

Please remember to observe the speed limits on Von Sosten Road and Hansen Road. Also, always make a complete stop at the crossing.

The speed limit is 35 MPH but 25 MPH when children are present. The California Highway Patrol does patrol the area.

Thank you for making it safe for our children and the community. As always, remember to buckle up!

## **AFTER SCHOOL PICKUP**

### 2:10pm Pickup at Hansen Road:

The first cars to arrive need to pull all the way up to the gate area. This will allow more room for cars behind to line up. Also, please leave the driveway that leads to the bus garage and dumpster clear. It is important to stay in your car at pickup time. Do not walk up to the gate. Teachers will be assisting your students to their cars as you pull up to the pickup areas. Staff does try to get kids to their cars as quickly as possible. Thank you for being patient and understanding.

### 2:55pm Pickup:

Parents, please help us with the pickup at 2:55 PM. All students are to be picked up at the gate by rooms 19 and 20 and not at the front of the school. We have supervision at that gate who will assist students to their cars. As you drive up next to the fence, students are released to their cars. Please do not pick up students at the front of the school.

### **Student Lunches**

If your child forgets his or her lunch or if you are dropping off his or her lunch...there is now a table located just inside the Multiuse room to leave lunches for students. Please make sure to write your child's name on the lunch.

### **Early Arrivals**

**Students should not be arriving to school before 7:30 AM.**

We do not have supervision of students before 7:30 AM. Students arriving between 7:30 and 7:50 AM are to proceed to the cafeteria. After 7:50 AM students may play outside until school begins.
