- 8th Grade Promotion 7:00PM**

During the past three weekends several of our students took part in academic competitions. We are very proud of them and we thank them for representing our school.

Whiz Kids: Brittany Rogers; Jacob Bradley; Lexi Jensen.

6th Grade Pentathlon: Kelli Gowan; Courtney Moberg; Chailah Reynolds; Kylie Chaption; Cierra Henson; Lexi Jensen; Karla Campos; Brittany Rogers

8th grade Pentathlon: Ruby Williams; Miriam Reza.

Congratulations to Keith, Kole, Korey, and Kyle Cabacungan. They recently competed in a National Karate Tournament. Keith, Kole, and Korey advanced to the Jr. Olympics in Austin, Texas. Kyle competed in the Black Belt Division and unfortunately was injured in his first match. We are proud of the Cabacungan boys!

I want to thank **Eddie Sosa**, a former Lammersville student, for constructing two wooden picnic tables and three wooden trash can encasings for our school. Eddie is working towards his Boy Scouts Eagle rank and he chose Lammersville for his project. The tables are located outside of room 25 and we look forward to using them at the end of the year Bar-B-Q. Thank you Eddie for your hard work and your commitment to Boy Scouts!

As we come to the end of another school year words cannot express my gratitude to all of you. The year has flown by and even before summer begins, we start to plan for the fall. I am really excited about what is in store for us next year! One exciting change will be the new **Full-Day Kindergarten program**. Kindergarten students will be able to attend from 8:05 AM-2:10 PM. The extended day will give students and teachers an opportunity to have more time to cover the standards as well as work on social and developmental skills. If you know of any incoming Kindergarteners that would be interested in participating in this program, please encourage them to enroll while there is still room.

Have a wonderful and restful summer!!

~ Mr. D'Amico

NEW "All Day" Kindergarten Program!!

Lammersville Elementary is pleased to announce our new All Day Kindergarten Program for the 2009-2010 school year! Kindergarteners will attend school from 8:05am to 2:10pm, giving them many new learning opportunities.

We're excited to implement this new program at our school. Please contact us if you have any questions!

Library Updates

May is here and this is the time to check and see if some of our library books have found a special reading place in your home. Please take time to have your children check their rooms, and even a place they may be riding in. Yes sometimes books take long rides in the family cars and tend to hide in many places. All books will be due back into the Lammersville library no later than the 26th of May. If these books are not found and returned you will be required to pay for them so that your students can get their report cards. If the book is found after you have paid for it, your money will be refunded. We can all work together and make sure that our books return back to the shelves at Lammersville School Library. Your help in this matter is greatly appreciated!!

- Rose Boynton, Librarian

LSF NEWS

We are sorry to announce that Dad's & Dogs has been cancelled. We were unable to generate enough interest so we will try again next year. Thank you to those who were interested, we appreciate your continued support.

Staff Appreciation Week was amazing!! Thank you so very much to all the parents who made this week possible. We received several thank you cards from the staff for all the wonderful food and pampering throughout the week. We would especially like to thank Mrs. Rusty Nusser for coordinating this week. Thank you also to the many room parents who helped coordinate volunteers in each classroom including Mrs. Burton, Mrs. Ramalho, Mrs. Gowan, Mrs. Kooreman, Mrs. Reynolds, Mrs. Cox, Mrs. Corso, Mrs. Martinez, Mrs. Sosa, Mrs. Lewis and Mrs. Butler. The food was terrific every day and the luncheon on Friday was truly over the top! A special thank you to Mrs. Magda Ramalho for providing a mini-spa experience each day of the week for all staff members who wanted them - it was quite luxurious.

Thank you to Rose Boynton for coordinating this spring's book fair. The library received \$1,350 credit to purchase books and each teacher received new books for their classrooms.

Box Tops will be collected next week. The classroom with the most will receive an ice cream party.

The **Pennies for Paper** classroom winner will be notified next week. They will receive a build-your-own ice cream sundae party. Thank you to all the classes who participated.

The End of the Year BBQ is just around the corner. Please see the attached flyer for classroom participation. We will be selling tickets for the monthly reserved parking spot drawing for just \$5.00 each. Tickets for this drawing are also available now in the office. This ticket enters you into a drawing for a monthly reserved parking spot next year. We will have one winner for each month of the school year. We will also be selling window clings and magnets so you can show your Lammersville Lions spirit. The clings are just \$5.00 and the magnets just \$7.00.

An Update on the money raised at last year's Auction Dinner Dance: LSF is excited to announce that the new picnic tables have arrived and will be ready for the end of the year BBQ. We will also be working on the lower grade field over the summer - it will be ready in time for back to school. Beautiful new chairs were purchased for the multi-purpose room. As a group we try very hard to get the most use out of the money raised for the school and provide the students with as many enriching opportunities as possible. Please feel free to join us at our monthly meetings and be a part of these decisions.

ATTENTION***WE NEED YOUR HELP!!!!** A coordinator is needed for next year's auction dinner dance. This is a huge event and raises the most money of any of the fundraisers LSF does. We have had several very successful years in a row and are looking to continue that trend. It would be great if two or three people would agree to coordinate this event. It is a large undertaking and should be started now. Please consider this request if you have it in your heart to help in a huge way. We have several people willing to help with the event but we need a coordinator(s).

If you have any questions, please contact Jennifer Corliss at 830-6532.
