Public Comments:

1. Kevin Peters, Shea Mountain House: Mr. Peters said it is a pleasure working with Dale and Shea Mountain House is prepared to provide assistance and if money isn't available, Shea will still provide funding.
2. Gary Gibbs, Shea Mountain House & Gibbs and Associates: Mr. Gibbs stated that this is a good private partnership and it is 4th in line on the unfunded list. It looks like the District will receive another million dollars funded from Prop 1D for Bethany.
3. Duane Grimsman, Trimark Communities: Mr. Grimsman mentioned they have been a party to school mitigation that dates back to 1998. He said that Trimark has no desire to oppose or prevent construction of a school.
4. Jim Bowman, LDC/Shea Mountain House: Mr. Bowman said the owners are 1.2 billion dollars into this and are not going anywhere. Mr. Bowman presented an assurance letter from Shea Mountain House/CALPERS to fund any short fall for the Sebastian Questa Project. There will be a mutual agreement with Trimark or they will agree to disagree.

Superintendent Hansen reviewed the sequence of events that lead to his recommendation to build Questa Elementary before Altamont Elementary. The Lease Lease-back pricing was \$9 million less than anticipated due to the change in the economy. Mr. Hansen informed the Board that the Altamont design team was meeting tomorrow.
